It is recommended that the Insured contact his/her personal tax advisor.

DEFINITIONS

"Actively at Work" and "Active Work" mean actually performing on a Full-time basis the material duties pertaining to his/her job in the place where and the manner in which the job is normally performed. This includes approved time off such as vacation, jury duty and funeral leave, but does not include time off as a result of an Injury or Sickness.

"Claimant" means an Insured who makes a claim for benefits under this Policy for a loss covered by this Policy as a result of an Injury to or a Sickness of the Insured.

"Covered Monthly Earnings" means the Insured's monthly salary received from you on the {day/first of the month} just before the date of Total Disability, prior to any deductions to a 401(k) plan. Covered Monthly Earnings include base salary or hourly wage, shift overtime for shifts A, B, C, D, E or F but only up to a maximum of 6.4 hours in a two week period. Covered Monthly Earnings does not include overtime not described above, shift differential, incentive pay plan, other bonuses, or any other special compensation not received as Covered Monthly Earnings.

"Eligible Person" means a person who meets the Eligibility Requirements of this Policy.

"Elimination Period" means a period of consecutive days of Total Disability, as shown on the Schedule of Benefits page, for which no benefit is payable. It begins on the first day of Total Disability.

Interruption Period: If, during the Elimination Period, an Insured returns to Active Work for less than 30 days, then the same or related Total Disability will be treated as continuous. Days that the Insured is Actively at Work during this interruption period will not count towards the Elimination Period. This interruption of the Elimination Period will not apply to an Insured who becomes eligible under any other group long term disability insurance plan.

"Full-time" means working for you for a minimum of an average of 38 hours per week; 48 weeks per year.

"Hospital" or "Institution" means a facility licensed to provide care and Treatment for the condition causing the Insured's Total Disability.

"Injury" means bodily Injury resulting directly from an accident, independent of all other causes. The Injury must cause Total Disability which begins while insurance coverage is in effect for the Insured.

"Insured" means a person who meets the Eligibility Requirements of this Policy and is enrolled for this insurance.

"Physician" means a duly licensed practitioner who is recognized by the law of the state in which treatment is received as qualified to treat the type of Injury or Sickness for which claim is made. The Physician may not be the Insured or a member of his/her immediate family.

"Pre-existing Condition" means any Sickness or Injury for which the Insured received medical treatment, consultation, care or services, including diagnostic procedures, or took prescribed drugs or medicines, during the three (3) months immediately prior to the Insured's effective date of insurance.

"Premium" means the amount of money needed to keep this Policy in force.

"Retirement Benefits" mean money which the Insured is entitled to receive upon early or normal retirement or disability retirement under:

- (1) any plan of a state, county or municipal retirement system, if such pension benefits include any credit for employment with you;
- (2) Retirement Benefits under the United States Social Security Act of 1935, as amended or under any similar plan or act; or
- (3) an employer's retirement plan where payments are made in a lump sum or periodically and do not represent contributions made by an Insured.

Retirement Benefits do not include:

- (1) a federal government employee pension benefit;
- (2) a thrift plan;
- (3) a deferred compensation plan;
- (4) an individual retirement account (IRA);
- (5) a tax sheltered annuity (TSA);
- (6) a stock ownership plan; or
- (7) a profit sharing plan.

"Sickness" means illness or disease causing Total Disability which begins while insurance coverage is in effect for the Insured. Sickness includes pregnancy, childbirth, miscarriage or abortion, or any complications therefrom.

"Totally Disabled" and "Total Disability" mean, that as a result of an Injury or Sickness:

- (1) during the Elimination Period and for the first 24 months for which a Monthly Benefit is payable, an Insured cannot perform the material duties of his/her regular occupation;
 - (a) "Partially Disabled" and "Partial Disability" mean that as a result of an Injury or Sickness an Insured is capable of performing the material duties of his/her regular occupation on a part-time basis or some of the material duties on a full-time basis. An Insured who is Partially Disabled will be considered Totally Disabled, except during the Elimination Period;
 - (b) "Residual Disability" means being Partially Disabled during the Elimination Period. Residual Disability will be considered Total Disability; and
- (2) after a Monthly Benefit has been paid for 24 months, an Insured cannot perform the material duties of any occupation. Any occupation is one that the Insured's education, training or experience will reasonably allow. We consider the Insured Totally Disabled if due to an Injury or Sickness he or she is capable of only performing the material duties on a part-time basis or part of the material duties on a full-time basis.

If an Insured is employed by you and requires a license for such occupation, the loss of such license for any reason does not in and of itself constitute "Total Disability".

GENERAL PROVISIONS

ENTIRE CONTRACT: The entire contract between you and us is this Policy, your Application (a copy of which is attached at issue) and any attached amendments.

CHANGES: No agent has authority to change or waive any part of this Policy. To be valid, any change or waiver must be in writing, signed by either our President, a Vice President, or a Secretary. The change or waiver must also be attached to this Policy.

TIME LIMIT ON CERTAIN DEFENSES: After this Policy has been in force for two (2) years from its Effective Date, no statement made by you shall be used to void this Policy; and no statement by any Insured on a written application for insurance shall be used to reduce or deny a claim after the Insured's insurance coverage, with respect to which claim has been made, has been in effect for two (2) years.

RECORDS MAINTAINED: You must maintain records of all Insureds. Such records must show the essential data of the insurance, including new persons, terminations, changes, etc. This information must be reported to us regularly. We reserve the right to examine the insurance records maintained at the place where they are kept. This review will only take place during normal business hours.

CLERICAL ERROR: Clerical errors in connection with this Policy or delays in keeping records for this Policy, whether by you, us, or the Plan Administrator:

- (1) will not terminate insurance that would otherwise have been effective; and
- (2) will not continue insurance that would otherwise have ceased or should not have been in effect.

Clerical Errors include (but are not limited to) the payment of premium for coverage not provided by this Policy. If appropriate, a fair adjustment of premium will be made to correct a clerical error. Such adjustments will be limited to the twelve (12) month period preceding the date we receive proof from you that an adjustment due to overpayment of premium should be made or the date we discover that premium has been underpaid.

MISSTATEMENT OF AGE: If an Insured's age is misstated, the Premium will be adjusted. If the Insured's benefit is affected by the misstated age, it will also be adjusted. The benefit will be changed to the amount the Insured is entitled to at his/her correct age.

NOT IN LIEU OF WORKERS' COMPENSATION: This Policy is not a Workers' Compensation Policy. It does not provide Workers' Compensation benefits.

This Policy will terminate at the end of the Grace Period if Premium has not been paid by that date.

We may cancel this Policy within thirty-one (31) days of written notice prior to the date of cancellation, only:

- (1) if the number of Insureds is less than the Minimum Participation Number shown on the Schedule of Benefits; or
- (2) if the percentage of Eligible Persons insured is less than the Minimum Participation Percentage shown on the Schedule of Benefits.

You will still owe us any Premium that is not paid up to the date this Policy is cancelled. We will return, pro-rata, any part of the Premium paid beyond the date this Policy is cancelled.

Termination of this Policy will not affect any claim which was covered prior to termination, subject to the terms and conditions of this Policy.

CLAIMS PROVISIONS

FILING A CLAIM:

Written notice of a claim must be given to us within thirty (30) days after the date the Insured's disability begins or as soon thereafter as reasonably possible. Notice means providing us with enough information so that we are able to identify the Insured as being covered under a long term disability policy issued by Reliance Standard Life Insurance Company.

Written proof of the Insured's claim must be sent to us within ninety (90) days after the end of the Elimination Period. If written proof is not given in that time, the claim will not be invalidated nor reduced if it is shown that written proof was given as soon as reasonably possible. In any event, proof must be given within one (1) year after the date that proof of claim is otherwise required, unless the Insured is legally incapable of doing so. The notice and proof of claim should be sent to us by mail to Reliance Standard Claims, P.O. Box 8330, Philadelphia, PA 19101-8330, by email to ClaimsIntake@rsli.com, by fax to (267)256-4262, or electronically to <https://rsliclaims.com/>. Notice or proof of claim sent to another location will not constitute valid notice or proof of claim.

Claim forms and other information needed to provide proof of the Insured's claim should be filed promptly. Insureds can access claim forms through our online website at <https://customer care.rsli.com/Forms/> or can call the customer care center at 1-800-351-7500 to request a claim form from us. Our standard claim form includes a section to complete for the Insured, you, and the Physician providing the Insured Regular Care for the Sickness or Injury causing the Insured's Total Disability. The Insured is responsible for giving you and his or her Physician the appropriate section of the claim form for their completion. The completed form must be sent to us within the timeframes stated above for providing proof of claim.

If the Insured requests a claim form from us and does not receive the claim form or electronic access to the claim form within 15 days after the request, then proof of claim will be met by giving us a written statement of the Insured's claim, including the occurrence, character and extent of the Total Disability for which the claim is made, within the time period required for providing proof of claim. This written statement of the Insured's claim must include enough information for us to begin processing the claim, including the Insured's name, address, telephone number, the Policy number, the employer's name and address, and your name and address (if different from the employer).

WRITTEN PROOF OF LOSS: We will evaluate the Insured's written proof of claim to determine if the Insured has provided satisfactory proof of loss and to determine the amount of any benefits that may be payable. The Insured's proof of loss must include the following items, provided at the Insured's expense:

- (1) That the Insured is under the Regular Care of a Physician;
- (2) The date the Insured's Total Disability began;
- (3) The cause of the Insured's Total Disability as determined by objective medical evidence, diagnostic studies, and examinations acceptable to the medical community;
- (4) The extent of the Insured's Total Disability, including all restrictions and/or limitations;
- (5) The name and address of all pharmacies, Hospital(s) or Institution(s) where the Insured received Treatment, including all Physicians who prescribed medications or provided Regular Care;
- (6) Documentation of the Insured's Covered Monthly Earnings and all income received while Totally Disabled, including all earnings, income or benefits of any kind that the Insured may be receiving or eligible to receive while also claiming disability benefits under the Policy;
- (7) Documentation that the Insured has applied for all Other Income Benefits that the Insured may be eligible for during the period of Total Disability for which the Insured is claiming disability benefits under the Policy;
- (8) Written authorization for the Insured to release and for us to obtain medical, employment, and financial, information and any other information we may reasonably require to determine the Insured's eligibility to receive benefits under the Policy and the amount of benefits payable under the Policy. This includes the Insured's receipt of or eligibility for Other Income Benefits and signing a reimbursement agreement upon our request; and
- (9) Tax returns, including all associated schedules and worksheets, business records, accountant's statements, and any other information we deem necessary to determine eligibility for benefits and the amount of benefits payable under the Policy.

The Insured is required to send proof of the Insured's continuing eligibility to receive disability benefits under the Policy and the amount of those benefits. This may include sending proof that the Insured is under the Regular Care of a Physician and/or any other information required above for proof of loss. We have the right to make this request as often as it is reasonably required during any ongoing review of benefit eligibility and while a claim is pending, including during any appeal from an adverse claim decision. We must receive this proof no later than 45 calendar days from the date we

ask for it. In some cases, we will require the Insured to give us authorization to obtain additional medical and non-medical information as part of the Insured's proof of claim. We have the right to terminate our payments to the Insured if the Insured does not cooperate with our requests for information or does not submit the information requested by us.

APPLYING FOR OTHER INCOME BENEFITS: We will require the Insured to apply for any Other Income Benefits that the Insured may be eligible for during the period of Disability for which the Insured is claiming benefits under the Policy. We may also require that the Insured appeal a denial of the Insured's claim for these Other Income Benefits.

We will also require the Insured to apply for disability benefits that may be available to the Insured under the Social Security Act. If we disagree with the Social Security Administration's denial of the Insured's application, the Insured will be required to follow the Social Security Administration's appeal process and to continue in that process to the highest level of appeals. We will provide the Insured with assistance during the application process for Social Security Disability benefits. We are unable to provide assistance during other Social Security application process.

PAYMENT OF CLAIMS: When we receive satisfactory written proof of the Insured's loss, we will pay any benefits due. Benefits that provide for periodic payment will be paid not less frequently than monthly for each period as we become liable.

We will pay benefits to the Insured, if living. Benefit payments that become due, or if any amount for which we are liable remains unpaid after the Insured's death, will be made to the Insured's estate immediately upon receipt of satisfactory written proof of loss. If there are legal impediments to payment of benefits that depend on the actions of parties other than us, we may hold further benefits due until such impediments are resolved and sufficient evidence of the same is provided. Legal impediments to payment may include, but are not limited to, the establishment of guardianships and conservatorships, or the appointment and qualification of trustees, executors and administrators, as applicable.

If the Insured has died and we have not paid all benefits due, we may pay up to \$1,000.00 to any relative by blood or marriage, or to the executor or administrator of the Insured's estate. The payment will only be made to persons entitled to it. An expense incurred as a result of the Insured's last illness, death or burial will entitle a person to this payment. The payments will cease when a valid claim is made for the benefit. We will not be liable for any payment we have made in good faith.

To the extent that the Insured is entitled to an award of pre-judgment interest by a court, the interest rate to be applied will be no higher than the rate for post-judgment interest pursuant to U.S.C. Section 1961.

AUTHORITY TO MAKE BENEFIT DETERMINATIONS: Reliance Standard Life Insurance Company shall serve as the claims review fiduciary with respect to the insurance Policy and certificate. The claims review fiduciary has the discretionary authority to interpret the Policy and the certificate and to determine eligibility for benefits and the amount of any benefits payable. Decisions by the claims review fiduciary shall be complete, final and binding on all parties.

RECOVERY OF OVERPAYMENTS: We have the right to recover overpayments that occur due to:

- (1) Fraud;
- (2) An error we make in processing the Insured's claim;
- (3) Payment we made that should have been made under another group plan; or
- (4) The Insured's receipt of Other Income Benefits for periods during which the Insured has already received disability benefits under the Policy.

If we determine that we should have paid the Insured a different benefit amount from the amount actually paid on the Insured's claim, we will adjust the benefit accordingly. If we determine that we overpaid the Insured's claim, then we require that the Insured repay us in full. We will determine the method by which the Insured will repay us. The Insured will reimburse us for all overpayments. We have the right to obtain any information relating to sources of Other Income Benefits.

We reserve the right to demand an immediate refund from the Insured of any overpayment, to take legal action, or to apply any future payments that are determined to be due to the Insured under the Policy, including any applicable minimum benefits, toward any outstanding overpayment balances until we are reimbursed in full. We have the right to recover overpayments from the Insured's eligible survivors or estate. We reserve the right to deduct from the Insured's claim payment any unpaid premium due for the Insured's coverage. We will not recover more money from the Insured than the benefit amounts we paid to the Insured.

If the overpayment is due to the Insured's receipt of amounts from a third party by judgment, settlement or otherwise for a Total Disability caused or contributed to by an act or omission of the third party, the Insured is obligated to repay us for the overpayment in full regardless of whether the Insured has been fully compensated for the Insured's injuries.

If the overpayment results from our having made a payment to the Insured that should have been made under another group plan, we may recover such overpayment from one or more of the following:

- (1) any other insurance company;
- (2) any other organization; or
- (3) any person to or for whom payment was made.

SUBROGATION: If Monthly Benefits are paid or payable to the Insured under the Policy as the result of any act or omission of a third party, we will be subrogated to all rights of recovery the Insured may have in respect to such act or omission. The Insured must execute and deliver to us such instruments and papers as may be required and do whatever else is needed to secure such rights. The Insured must avoid doing anything that would prejudice our rights of subrogation. If the Insured notifies us before filing suit or settling the Insured's claim against such third party, the amount to which we are subrogated will be reduced by a pro rata share of the Insured's costs of recovery, including reasonable attorney fees. If suit or action is filed, we may record a notice of payments of Monthly Benefits, and such notice shall constitute a lien on any judgment recovered. If the Insured or the Insured's legal representative fail to bring suit or action promptly against such third party, we may institute such suit or action in our name or in the Insured's name. We are entitled to retain from any judgment recovered the amount of Monthly Benefits paid or to be paid to the Insured or on the Insured's behalf, together with our costs of recovery, including attorney fees. The remainder of such recovery, if any, shall be paid to the Insured or as the court may direct. If we bring a legal action against the third party on the Insured's behalf, we will not reduce the Insured's Monthly Benefits by any other amounts the Insured receives from the third party.

NOTIFICATION OF CLAIM DECISIONS: We will send the Insured written notice of our claim decision within a reasonable period of time, but not later than 45 days after we receive proof of the Insured's claim. If it is determined that an extension of time is needed to make a benefit determination, we will send the Insured a written notice within this initial 45 day timeframe that an additional 30 days is needed. If, prior to the end of the first 30-day extension period, it is determined that, due to matters beyond our control, a claim decision cannot be made within that extension period, we will send the Insured written notice during the initial 30 day extension that the period for making the determination may be extended for up to an additional 30 days. This notice will include the date by which a decision is expected to be made. In the case of any such extension, the notice of extension shall specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues, and the Insured will have 45 days within which to provide the specified information. The period of time within which a benefit decision is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit decision accompanies the filing. In the event that a period of time is extended due to the Insured's failure to submit information necessary to decide a claim, the period for making the benefit decision shall be tolled from the date on which the notification of the extension is sent to the Insured until the date on which the Insured responds to the request for additional information.

For any adverse benefit decision, our notice will include:

- (1) The specific reason or reasons for such decision;
- (2) Reference to specific plan/Policy provisions on which the decision was based;
- (3) A description of the additional material or information necessary for the Insured to perfect the claim and an explanation of why such material or information is necessary;
- (4) A description of the review procedures and the time limits applicable to such procedures, including a statement of the Insured's right to bring a civil action under section 502(a) of the Employee Retirement Income Security Act of 1974 as amended ("ERISA") (where applicable), following an adverse benefit decision;
- (5) A discussion of the decision, including an explanation of the basis for disagreeing with or not following:
 - a) The views presented by the Insured to the plan of health care professionals treating the Insured and vocational professionals who evaluated the Insured;
 - b) The views of medical or vocational experts whose advice was obtained on behalf of the plan in connection with the Insured's adverse benefit decision, without regard to whether the advice was relied upon in making the benefit decision; and
 - c) A disability determination regarding the Insured made by the Social Security Administration;
- (6) Either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan that we relied upon in making the adverse decision, or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the plan do not exist;

- (7) A statement that the Insured is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to a claim for benefits; and
- (8) Information concerning the Insured's right to request that we review our decision.

The notification will be provided in a culturally and linguistically appropriate manner.

REVIEW OF ADVERSE BENEFIT DECISIONS: The Insured may appeal any adverse benefit decision we may make on all or part of the Insured's claim. This appeal must be in writing and must be received by us no more than 180 days after the Insured receives notice of the adverse benefit decision. Only one appeal is allowed. As part of the appeal process, the Insured will:

- (1) Be provided with the opportunity to send us written comments, documents, records, and other information related to the Insured's claim for benefits in conjunction with the Insured's timely appeal; and
- (2) Be provided, upon request and free of charge, reasonable access to, and copies of, all non-privileged documents, records, and other information relating to the Insured's claim for benefits.

We will review the Insured's appeal promptly after receiving the Insured's request. We will advise the Insured of the results of our review within 45 days after we receive the Insured's timely request for review, unless it is determined that special circumstances require an extension of time for processing the appeal. If it is determined that an extension of time for processing is required, we will give the Insured written notice of the extension prior to the termination of the initial 45-day period. In no event will such extension exceed a period of 45 days from the end of the initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the determination on review is expected to be made.

The period of time within which a benefit determination on review is required to be made shall begin at the time an appeal is timely filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing. In the event that a period of time is extended as described above due to the Insured's failure to submit information necessary to decide the claim, the period for making the benefit determination on review shall be tolled from the date on which the notification of the extension is sent to the Insured until the date on which the Insured responds to the request for additional information.

Our decision on the Insured's appeal will be in writing and will include the specific reason or reasons for the decision and reference to specific plan/Policy provisions on which the decision was based. For any adverse benefit decision on the Insured's appeal, our notice will also include:

- (1) A statement that the Insured is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Insured's claim for benefits;
- (2) A description of the Insured's right to bring a civil action under section 502(a) of the Employee Retirement Income Security Act of 1974 as amended ("ERISA") (where applicable), as well as a description of any applicable contractual limitations period that applies to the Insured's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim;
- (3) A discussion of the decision, including an explanation of the basis for disagreeing with or not following:
 - a. The views presented by the Insured to the plan of health care professionals treating the Insured and vocational professionals who evaluated the Insured;
 - b. The views of medical or vocational experts whose advice was obtained on behalf of the plan in connection with the Insured's adverse benefit decision, without regard to whether the advice was relied upon in making the benefit decision; and
 - c. A disability determination regarding the Insured made by the Social Security Administration; and
- (4) Either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan that we relied upon in making the adverse decision, or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the plan do not exist; and
- (5) A statement that the Insured is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to a claim for benefits.

The notification will be provided in a culturally and linguistically appropriate manner.

ARBITRATION OF CLAIMS: Any claim or dispute arising from or relating to our determination regarding the Insured's Total Disability may be settled by arbitration when agreed to by the Insured and us in accordance with the Rules for Health and Accident Claims of the American Arbitration Association or by any other method agreeable to the Insured and us. In the case of a claim under an Employee Retirement Income Security Act (hereinafter referred to as ERISA) Plan, the Insured's ERISA claim appeal remedies, if applicable, must be exhausted before the claim may be submitted to arbitration. Judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction over

such awards.

Unless otherwise agreed to by the Insured and us, any such award will be binding on the Insured and us for a period of twelve (12) months after it is rendered, assuming that the award is not based on fraudulent information and the Insured continues to be Totally Disabled. At the end of such twelve (12) month period, the issue of Total Disability may again be submitted to arbitration in accordance with this provision.

Any costs of said arbitration proceedings levied by the American Arbitration Association or the organization or person(s) conducting the proceedings will be paid by us.

PHYSICAL EXAMINATION AND AUTOPSY: We will, at our expense, have the right to have the Insured interviewed and/or examined:

- (1) physically;
- (2) psychologically; and/or
- (3) psychiatrically;

to determine the existence of any Total Disability which is the basis for a claim. We may require the Insured to be interviewed or examined by Physician(s), other medical practitioner(s), or vocational expert(s) of our choice. Such interviews or examinations may include vocational testing and evaluations, or any other type of testing and evaluations we determine necessary to administer the terms and conditions of the Policy. This right may be used as often as it is reasonably required during any ongoing review of benefit eligibility and while a claim is pending, including during any appeal from an adverse benefit decision.

We can have an autopsy made unless prohibited by law.

We have the right to deny the claim and terminate benefit payments if the Insured interferes with or does not cooperate with our requests for a physical examination or autopsy. The Insured has no right to videotape or record the physical examination by any means, nor does the Insured have the right to have a witness present during any examination and/or testing.

LEGAL ACTIONS: No legal action may be brought against us to recover on the Policy within sixty (60) days after written proof of loss has been given as required by the Policy. No action may be brought after three (3) years from the time written proof of loss is received. If the Insured's claim is subject to ERISA, no legal action may be brought or any benefits paid unless there has been full compliance with all Policy terms, including the exhaustion of all appeal procedures included above under the REVIEW OF ADVERSE BENEFIT DECISIONS provision.

If a person returns after terminating insurance at his/her request or for failure to pay Premium when due, proof of health acceptable to us must be submitted before he/she may be reinstated.

PREMIUMS

PREMIUM PAYMENT: All Premiums are to be paid by you to us, or to an authorized agent, on or before the due date. The Premium Due Dates are stated on this Policy's face page.

PREMIUM RATE: The Premium due will be the rate per \$100.00 of the entire amount of Covered Monthly Earnings then in force. We will furnish to you the Premium Rate on this Policy's Effective Date and when it is changed. We have the right to change the Premium Rate:

- (1) when the extent of coverage is changed by amendment;
- (2) on any Premium Due Date after the first Policy Anniversary;
- (3) on any Premium Due Date on or after the first Policy Anniversary if your entire group's Covered Monthly Earnings changes by 15% or more from such group's Covered Monthly Earnings on this Policy's Effective Date; or
- (4) at any time if there is a change in federal or state laws, insurance programs or retirement benefits that would impact our liability.

We will not change the Premium Rate due to (2) or (3) above more than once in any twelve (12) month period. We will tell you in writing at least thirty-one (31) days before the date of a change due to (2), (3) or (4) above.

GRACE PERIOD: You may pay the Premium up to sixty (60) days after the date it is due. This Policy stays in force during this time. If the Premium is not paid during the grace period, this Policy will terminate. You will still owe us the Premium up to the date this Policy terminates.

WAIVER OF PREMIUM: No Premium is due us for an Insured while he/she is receiving Monthly Benefits from us. Once Monthly Benefits cease due to the end of his/her Total Disability, Premium payments must begin again if insurance is to continue.

BENEFIT PROVISIONS

INSURING CLAUSE: We will pay a Monthly Benefit if an Insured:

- (1) is Totally Disabled as the result of a Sickness or Injury covered by this Policy;
- (2) is under the Regular Care of a Physician;
- (3) has completed the Elimination Period; and
- (4) submits satisfactory proof of Total Disability to us.

BENEFIT AMOUNT: To figure the benefit amount payable:

- (1) multiply an Insured's Covered Monthly Earnings by the benefit percentage(s), as shown on the Schedule of Benefits page;
- (2) take the lesser of the amount:
 - (a) of step (1) above; or
 - (b) the Maximum Monthly Benefit, as shown on the Schedule of Benefits page; and
- (3) subtract Other Income Benefits, as shown below, from step (2) above.

We will pay at least the Minimum Monthly Benefit, as shown on the Schedule of Benefits page.

OTHER INCOME BENEFITS: Other Income Benefits are benefits resulting from the same Total Disability for which a Monthly Benefit is payable under this Policy. These Other Income Benefits are:

- (1) disability income benefits an Insured is eligible to receive under any group insurance plan(s);
- (2) disability income benefits an Insured is eligible to receive under any governmental retirement system, except benefits payable under a federal government employee pension benefit;
- (3) all permanent as well as temporary disability benefits, including any damages or settlement made in place of such benefits (whether or not liability is admitted) an Insured is eligible to receive under:
 - (a) Workers' Compensation Laws;
 - (b) occupational disease law;
 - (c) any other laws of like intent as (a) or (b) above; and
 - (d) any compulsory benefit law;
- (4) any of the following that the Insured is entitled to receive from you:
 - (a) wages, excluding the amount allowable when engaged in Rehabilitative Employment; and
 - (b) commissions or monies, including vested renewal commissions, but, excluding commissions or monies that the Insured earned prior to Total Disability which are paid after Total Disability has begun;
- (5) that part of disability or Retirement Benefits paid for by you that an Insured is eligible to receive under a group retirement plan; and
- (6) disability or Retirement Benefits under the United States Social Security Act, the Canadian pension plans, federal or provincial plans, or any similar law for which:
 - (a) an Insured is eligible to receive because of his/her Total Disability or eligibility for Retirement Benefits; and
 - (b) an Insured's dependents are eligible to receive due to (a) above.

Disability and early Retirement Benefits will be offset only if such benefits are elected by the Insured or if election would not reduce the amount of his/her accrued normal Retirement Benefits then funded.

Retirement Benefits under number (6) above will not apply to disabilities which begin after age 70 for those Insureds already receiving Social Security Retirement Benefits while continuing to work beyond age 70.

Benefits above will be estimated if the benefits:

- (1) have not been applied for; or
- (2) have not been awarded; and
- (3) have been denied and the denial is being appealed.

The Monthly Benefit will be reduced by the estimated amount. If benefits have been estimated, the Monthly Benefit will be adjusted when we receive proof:

- (1) of the amount awarded; or
- (2) that benefits have been denied and the denial cannot be further appealed.

If we have underpaid the Monthly Benefit for any reason, we will make a lump sum payment. If we have overpaid the Monthly Benefit for any reason, the overpayment must be repaid to us. At our option, we may reduce the Monthly Benefit or ask for a lump sum refund. If we reduce the Monthly Benefit, the Minimum Monthly Benefit, if any, as shown on the Schedule of Benefits page, would not apply.

BENEFIT PROVISIONS (Continued)

For each day of a period of Total Disability less than a full month, the amount payable will be 1/30th of the Monthly Benefit.

COST OF LIVING FREEZE: After the initial deduction for any Other Income Benefits, the Monthly Benefit will not be further reduced due to any cost of living increases payable under these Other Income Benefits.

LUMP SUM PAYMENTS: If Other Income Benefits are paid in a lump sum, the sum will be broken down to a monthly amount for the period of time the sum is payable. If no period of time is given, the sum will be broken down to a monthly amount for the period of time we expect the Insured to be disabled based on actuarial tables of disabled lives.

TERMINATION OF MONTHLY BENEFIT: The Monthly Benefit will stop on the earliest of:

- (1) the date the Insured ceases to be Totally Disabled;
- (2) the date the Insured dies;
- (3) the Maximum Duration of Benefits, as shown on the Schedule of Benefits page, has ended;
- (4) the date the Insured fails to furnish the required proof of Total Disability;
- (5) the date the Insured ceases to be under the Regular Care of a Physician;

- (7) the date the Insured declines treatment options recommended by his or her Physician and within generally accepted medical standards, for a Sickness or Injury for which the Insured is claiming benefits under the Policy. Treatment options may include, but are not limited to, taking prescribed medications, participating in therapy, undergoing testing, and use of medical equipment;
- (8) the date the Insured refuses to return to work with the assistance of:
 - a. Modifications made to the Insured's work environment, functional occupational requirements, or work schedule; or
 - b. Adaptive equipment or devices;that a qualified Physician has indicated will accommodate the restrictions and/or limitations of the Sickness or Injury for which the Insured is claiming benefits under the Policy and will enable the Insured to perform the material duties of an occupation from which the Insured must be considered Totally Disabled in order to receive Monthly Benefits under the Policy; or
- (9) the date the Insured resides outside the United States or Canada. We will consider the Insured to reside outside of these countries if the Insured has been outside the United States or Canada for a total period of 3 months or more during any 6 consecutive months of the Insured's receipt of Monthly Benefits under the Policy.

RECURRENT DISABILITY: If, after a period of Total Disability for which benefits are payable, an Insured returns to Active Work for at least six (6) consecutive months, any recurrent Total Disability for the same or related cause will be part of a new period of Total Disability. A new Elimination Period must be completed before any further Monthly Benefits are payable.

If an Insured returns to Active Work for less than six (6) months, a recurrent Total Disability for the same or related cause will be part of the same Total Disability. A new Elimination Period is not required. Our liability for the entire period will be subject to the terms of this Policy for the original period of Total Disability.

This Recurrent Disability section will not apply to an Insured who becomes eligible for insurance coverage under any other group long term disability insurance plan.

WORKSITE MODIFICATION PROVISION

If an Insured is Totally Disabled, participating in a rehabilitation program and receiving a Monthly Benefit and he/she is able to return to Active Work should you make a modification to the Insured's worksite, then you may be eligible for Worksite Modification Reimbursement.

You will be reimbursed for 100% of the actual and reasonable expenses paid for eligible worksite modifications to accommodate the Insured's return to Active Work, up to a maximum reimbursement of \$2,000.00.

Eligible worksite modifications include:

1. providing the Insured with a more accessible parking space or entrance; or
2. removing items from the worksite which represent barriers or hazards to the Insured; or
3. special seating, furniture or equipment for the Insured's work station; or
4. providing special training materials or translation services during the Insured's training; or
5. any other services that we deem necessary to help the Insured return to Active Work with you.

In order for this reimbursement to be payable, the Insured must have a Total Disability that results solely from the Insured's inability to perform his or her regular occupation at your worksite. The Insured must also have the physical and mental abilities needed to perform his or her regular occupation or another occupation at your worksite, but only with the help of the proposed worksite modification.

A worksite modification may first be proposed by either you, the Insured or his or her Physician, or by us. A written proposal must then be developed with input from you, the Insured or his or her Physician. The proposal must state the purpose of the proposed worksite modification, the times, dates and costs of the modifications. Any proposal must be in writing and is subject to our approval, your approval and the approval of the Insured prior to any reimbursement being paid.

Once the worksite modification has been approved in writing, you must make the worksite modification. Upon receipt of proof satisfactory to us that the modifications for the Insured have been made as approved and you have paid the person or organization that provided the worksite modification, we will then reimburse you up to the limit shown above.

- (2) you have approved the Insured's leave in writing and provide a copy of such approval within thirty-one (31) days of our request.

As long as the above requirements are satisfied, we will continue coverage until the later of:

- (1) the end of the leave period required by the Family and Medical Leave Act of 1993, as amended; or
- (2) the end of the leave period required by any similar state law, as amended.

Military Services Leave of Absence:

We will continue the Insured's coverage in accordance with your policies regarding Military Services Leave of Absence under USERRA if the premium for such Insured continues to be paid during the leave.

As long as the above requirement is satisfied, we will continue coverage until the end of the period required by USERRA.

This Policy, while coverage is being continued under this Military Services Leave of Absence extension, does not cover any loss which occurs while on active duty in the military if such loss is caused by or arises out of such military service, including but not limited to war or any act of war, whether declared or undeclared.

While the Insured is on a Family and Medical Leave of Absence for any reason other than his or her own illness, injury or disability or Military Services Leave of Absence he or she will be considered Actively at Work. Any changes such as revisions to coverage due to age, class or salary changes, as applicable, will apply during the leave except that increases in the amount of insurance, whether automatic or subject to election, will not be effective for an Insured who is not considered Actively at Work until the Insured has returned to Active Work for one (1) full day.

A leave of absence taken in accordance with the Family and Medical Leave Act of 1993 or USERRA will run concurrently with any other applicable continuation of insurance provision in this Policy.

The Insured's coverage will cease under this extension on the earliest of:

- (1) the date this Policy terminates; or
- (2) the end of the period for which premium has been paid for the Insured; or
- (3) the date such leave should end in accordance with your policies regarding Family and Medical Leave of Absence and Military Services Leave of Absence in compliance with the Family and Medical Leave Act of 1993, as amended and USERRA. Coverage will not be terminated for an Insured who becomes Totally Disabled during the period of the leave and who is eligible for benefits according to the terms of this Policy. Any Monthly Benefit which becomes payable will be based on the Insured's Covered Monthly Earnings immediately prior to the date of Total Disability.

Should you choose not to continue the Insured's coverage during a Family and Medical Leave of Absence and/or Military Services Leave of Absence, the Insured's coverage will be reinstated.

REHABILITATION BENEFIT

"Rehabilitative Employment" means work in any gainful occupation for which the Insured's training, education or experience will reasonably allow. The work must be approved by a Physician or a licensed or certified rehabilitation specialist approved by us. Rehabilitative Employment includes work performed while Partially Disabled, but does not include performing all the material duties of his/her regular occupation on a full-time basis.

If an Insured is receiving a Monthly Benefit because he/she is considered Totally Disabled under the terms of this Policy and is able to perform Rehabilitative Employment, we will continue to pay the Monthly Benefit less an amount equal to 50% of earnings received through such Rehabilitative Employment.

An Insured will be considered able to perform Rehabilitative Employment if a Physician or licensed or certified rehabilitation specialist approved by us determines that he/she can perform such employment. If an Insured refuses such Rehabilitative Employment, or has been performing Rehabilitative Employment and refuses to continue such employment, even though a Physician or licensed or certified rehabilitation specialist approved by us has determined that he/she is able to perform Rehabilitative Employment, the Monthly Benefit will be reduced by 50%, without regard to the Minimum Monthly Benefit.
